In G.O.No.O.3071-9/Cash.95-21-1 dated 26th June 1922 the following revised arrangements have been ordered: regarding Press facilities:—

(i) All important orders of public interest should be marked at the time of issue, for publication in the Official Gazette both in the English and Kannada editions.

(ii) The Gazette will be supplied and posted free to every newspaper which exchanges a copy of the paper with Government.

(iii) Once a week, *i.e.*, every Saturday, the Government Secretariat will publish by authority in the Press Room, Press Notes from each Branch summarising important orders, and giving particulars of official events, which are of general public interest.

(iv) The Press Room will be fully fitted up with all reference books and suitably furnished. The accredited representatives of newspapers of recognised standing bearing credentials from the editors will be granted access to the Press Room by the Chief Secretary to Government on application.

(v) All such Press Representatives will, during the Birthday and Dasara at Mysore, and for the purpose of reporting important functions or events of public interest on other occasions, be given at the request of the editors concerned, free railway passes to travel over the Mysore Railways. During the Birthday and Dasara, they will be given residential facilities in a Press Camp in Mysore.

(vi) The Official Gazette will be the medium every week of information in regard to all official matters of public interest and will be directly posted to each editor. This will avoid the necessity of supplying individual Government Orders to them at a later stage when they are printed and distributed. But copies of the State Administration Report, Departmental Annual Reports and Government Publications placed at the disposal of the Press which are not published in the Official Gazette will as heretofore be posted to the Editors of the newspapers on the exchange list.

The following points require orders before obtaining new passes from the Railway Department to be given to the Press Correspondents:-

(1) whether the issue of the passes is to be restricted to correspondents of newspapers who agree to exchange their paper with the Mysore Gazette or the passes made available to correspondents of other newspapers also.

(2) In the former case the Editors who have applied for facilities to their correspondents should be asked if they are willing to exchange their paper for the Gazette before issuing the Railway passes.

NOTE—Contn. sheet.

G. R. S. III-2]

General and Revenue Secretariat. | File No. of 19

(3) Whether half yearly standing passes should be issued as was being done hitherto or whether passes should be issued for each occasion. The recent arrangement does not seem to contemplate the grant of standing passes. If this is so, a book containing blank passes will have to be obtained from the Agent, Mysore Railways and passes issued under the signature of the Chief Secretary for each occasion.

Necessary action for obtaining passes etc. will be taken after orders are passed on the above points.

The Editors of the New Herald & Economist & Industry will be supplied with a copy of this G.O. for information, on issue.

The other points requiring orders are:—

(1) Whether Press Room facilities & Rly passes needs be given only to representatives of papers on the Exchange list.

I submit that this restriction is unnecessary. The Press Room Ticket & Rly passes may be given on the application of any Editor ~~of a Weekly~~ irrespective of the exchange list. This latter carries with it other privileges, namely free supply of Gazette & Govt reports & it appears unnecessary to say that an Editor should apply for all privileges or none.

(2) Whether individuals not representing a paper or papers needs be given Press Room ticket, Rly passes, or free supply of Gazettes or publications.

The Representative of the Associated Press may be treated as an exception

To

The Agent,

Mysore Railways.

Sir,

I am directed to state that under the recent order No.3071-9/Cash 95-21-1 dated 26th June 1922, regarding press facilities, "Press Representatives will, during the Birthday and Dasara at Mysore, and for the purpose of reporting important functions or events of public interest on other occasions, be given at the request of the editors concerned, free railway passes to travel over the Mysore Railways."

~~Therefore~~ No they cannot be granted standing passes ~~as at present, but only~~ half-year passes for each occasion ~~under the signature of the Chief Secretary~~. I ~~am accordingly to~~ request ~~to~~ kindly ~~send~~ a book containing blank passes for issue to ~~the~~ press correspondents ~~under my signature.~~

The five ~~free~~ second class ~~card~~ passes for the half year ending 30th June 1922 are herewith returned, ~~which~~ and may be kindly acknowledged.

I have, etc.,

Chief Secretary to Govt.

389/CB-40-22-25.

the 21st July 1922.

Dear Mr. Dove Wilson,

Please refer to my letter No.310/C.B. of the 15th instant requesting that a book of blank railway passes for issue to Press Correspondents may be kindly forwarded to me. I shall be obliged if this could be kindly expedited. Several of the Press Correspondents have been applying to the Dewan for passes for reporting various functions in several parts of the State and also for accompanying the Dewan on tour. I shall be obliged if the book of blank forms could be kindly sent to me as early as possible so as to obviate complaints of delay on the part of Press Correspondents.

One of the Press Correspondents in the course of his representations states that the Agent, Mysore Railways is competent to issue passes for use on the M.& S.M. Railway within 50 miles as per Resolutions of the Agents' Conference at Simla. Please let me know if this is so and if so whether we might include journeys on the M.& S.M. Railway in the passes to be delivered from the Secretariat.

Yours sincerely,

C. Dove Wilson, Esq.,
Agent, Mysore Railways.

Sir,

In reply to your letter No.310/C.B. dated 15th July 1922, I have the honour to inform you that it is unusual on any railway for free passes to Press Representatives being signed by any other official than the Agent or the Traffic Manager, and it is also contrary to the Pass Rules. If it is thought that a reference to this office will cause undue delay I can send a book with a dozen signed blank passes but particulars of each pass as it is issued should be sent to this office to complete the return that has to go to the Auditor. If passes are to be issued by other than a recognised officer of the Railway it will be necessary to instruct all station masters, ticket collectors and other staff who have to collect and deal with passes at stations and on the trains. If applications are sent to this office addressed by title and not by name there will be no delay in sending any passes required.

The five time-expired second class passes for the half year ended 30th June 1922 have been duly received.

Your D.O. letter No.389/C.B. dated the 21st July 1922 was received by me yesterday. I have discussed the question of these complimentary passes with the Traffic Manager and he thinks that the best plan is for me to send blank books already signed. If you agree I shall do this.

The Agent has no authority to issue -- these passes on any section worked by the M.&. S.M. Railway Company.
